

MINOR'S ASSENT FORM

ASSENT FORM FOR CHILDREN TAKING SUCRAID®

You are being asked to read and sign this form because you take Sucraid® for a condition that causes you to be unable to digest table sugar, which is in a lot of your foods.

The company that makes Sucraid® ran out of its regular Sucraid® last year and there is not any regular Sucraid® available. However, you can choose to take another kind of Sucraid® so that you can keep taking the drug. This Sucraid® has a specific lot number on the bottle, D0401. This other Sucraid® has been tested and is very similar to the regular Sucraid® but there is a small chance that this other kind of Sucraid® could make you throw up or cause you to have a stomach ache that may be different from what you are used to having. If you do take this different Sucraid®, please let your doctor or your parents or other caregivers know right away if it causes you to have any problems.

If you do not want to receive this other kind of Sucraid®, you do not have to say yes or sign your name on this form. No one will be mad at you if you say no.

By signing your name you are saying that you have talked with your doctor or your parents/caregivers about taking this other kind of Sucraid®. If you want to receive and use this other kind of Sucraid® please sign your name.

Assent By Child

Date

DOB: _____

Age: _____

To the Physician/Clinician/Parent obtaining the assent:

If the child does not sign the form, but you believe the child has actively assented, please document on this form. State the specific behaviors (head shake yes, child said okay after you described the procedure, etc.).

Signature

Date

If the child is willing to receive and use the other kind of Sucraid® and has signed or provided active assent, fax a copy of this form to SucraidASSIST™ at Fax: 800-632-1944.
